

Chad Hopper + 912 James + Austin, TX 78704 + chaired@scientist.com + www.palfloat.com

I work at a deli. I live in Austin, TX. I play in professional Scrabble tournaments. I am afraid of rats. My favorite animal is the bear. I have never been in a hot air balloon.

I began the Palfloat art collective in Dallas before moving to Austin in 2001. Since then a my work has been distributed for free along with the work of other Palfloat contributors in the form of collage, photography, homemade cassette tapes, videos, etc. at record stores, inside the mall, on top of cars, maybe near a park in Dallas and Austin for several years. More formal work, shows, and other stuff are:
