And/Or Is So/Cool

Picassos are poignant. Degas is dynamic. Sometimes, however, we're looking for something a little more, well, out of the box. The type of spot your plugged-in nephew would consider "awesome." And/Or Gallery, just east of downtown, is one forward-thinking place for new media, which is art that incorporates software programs, interactive installations and Internet art. Owners **Lauren Gray** and **Paul Slocum**'s next exhibition: video game-type creations from **Paper Rad** that you really have to see to believe (opening March 25). *And/Or Gallery*, 4221 Bryan St., Suite B, 214.824.2442; andorgallery.com.
